

Ziox launches first 4G enabled smartphone priced at Rs.5553

Ziox Mobiles, under the aegis of Sun Airvoice Private Limited, brings in its first 4G enabled smartphone, 'Astra Metal 4G'. Brimming with powerful features, the Astra Metal 4G combines power & style, giving you everything, you need in a stylish smartphone at an affordable price tag.

Offering a superior display experience, the Astra Metal 4G sports 5" window that that lets you watch movies & play games expediently. Its aesthetic curves & elegant design brings the distinguished identity which makes it stand out from the rest.

Designed for individuals who wish to experience the fast 4G life, the smartphone redefines your browsing, downloading, streaming and video calling experience. Now explore unlimited websites, apps, games & everything with Astra Metal 4G.

Fueled with 1.3 GHZ Quad core processor & 1GB of RAM, the Astra Metal 4G delivers blazing, fast performance for an unmatched user experience. Complementing its unbeatable performance is the latest Android 6.0 Marshmallow operating system that thrills you with a seamless multitasking and smooth operating experience.

To ensure that you never miss out on capturing an important memory, the smartphone is equipped with dual camera support, it comes with a 5MP Rear Camera & 2 MP Front camera. The back camera has Auto Focus and Flash support to help you take sharp & vivid images even in low lighting conditions while the 2MP front camera captures stunning selfies in a jiffy and facilitates video calling.

Commenting on the launch of the newest Astra Metal 4G, Mr. Deepak Kabu, CEO, Ziox Mobiles says, "After establishing its mark in the feature phone segment, Ziox is proud to introduce its first 4G entrant, that not only elevates performance & customer experience to the next level, but endeavors to empower consumers with affordable technology, keeping the users ahead of the Tech curve".

The smartphone offers 8GB of internal memory that is further expandable up to 32 GB giving the freedom of storing movies, songs and other multimedia utilities. With 21 language support, the smartphone also equips connectivity options like Wi-Fi, Bluetooth, FM Radio & more to offer an all-inclusive smartphone using experience. Available in shades of Rose Gold, Silver & Champagne Gold, Astra Metal 4G is already available in leading retail stores across India.
